Our office is located in "The Rock" building in Truckee at 11209 Brockway Road - Suite 206. The entrance to the building is across the street from Martis Valley Road - the entrance to Sierra Meadows - right at the roundabout.

The Drunken Monkey and the Thai Delicacy restaurants are in the same complex. Take the stairs across from the Thai Delicacy to the second floor.

### **CANCELATION POLICY FOR PSYCHOTHERAPY AND MEDIATION CLIENTS:**

Please make every effort to give me 24 hours notice if you need to cancel or re-schedule. I understand that emergencies and illness come up and I will always be flexible whenever these unexpected situations arise.

Considering that I have a wait list and cannot schedule clients without notice and I cannot bill insurance if you don't keep your appointments, **I must charge the full session fee for missed appointments without 24 hours notice.**

Thank you for your understanding!
